CONFIDENTIAL

ACADEMIC SENATE MINUTES CLOSED SESSION (Approved)

April 7, 1999

Volume XXX, No. 12.1

Honorary Doctorate Nominees

President Strand distributed biographical information on three candidates for receipt of honorary doctorate degrees. He reviewed the process of nomination. Nominations for recipients are made to the President. The President seeks approval of the nominees in executive session of the Academic Senate and submits these nominations to the Board of Trustees for approval. During the nomination and approval process, it is essential that names be held in strict confidence until the Board has approved the awards and the intended recipients indicate willingness to accept the honor and attend a graduation or a Founder's Day ceremony. The nominations will go to the Board at its May meeting. The President's office will then contact one or more of the recipients for the Founder's Day program next year.

Ballots were cast as to whether or not the Senate concurred with the nominations. The Senate concurred with the nominations. The vote was as follows:

	Concurred	Did Not Concur
Judith Ivey	37	2
David Edmunds	39	0
Gwendolyn Brooks	39	0

Executive session adjourned and open session continued.
